Site Selectors

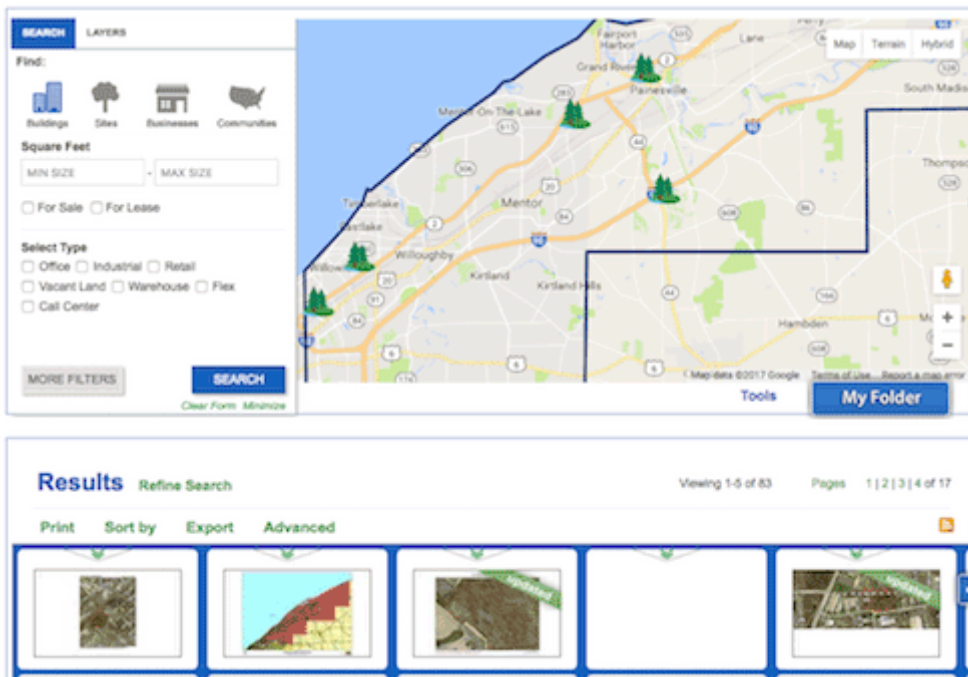

The Lake County Ohio Port and Economic Development Authority Is Lake County's Economic Development department.

We are a resource for site selection, technical information as well as financing assistance and incentives. We are partners with Team NEO and Jobs Ohio and can guide you through the site approval process in any of Lake County's 23 cities, villages or townships.

This site is intended to be a comprehensive introduction to "all things Lake County". It provides detailed information about demographics and workforce, about the individual communities of Lake County, as well as the recreational and the educational resources of the County. It also links you to regional assets through [Our Partners](#).

We maintain a database of available properties on this site and would be pleased to assist you in a confidential search. Please start your search here or call Mark Rantala, Executive Director of the Lake County Ohio Port and Economic Development Authority at 440-357-2290 x 232 for more information about Lake County.

Please feel free to use our searchable database of [available sites and buildings](#).

Also take advantage of [Lake Navigator](#), Lake County's public GIS database.
