Brownfield Remediation

Brownfield cleanup and redevelopment improves communities and helps increase the amount of developable land to generate economic development and greater employment opportunities. The Lake County Ohio Port and Economic Development Authority will work with owners and developers to tailor a program that meets the needs of all parties in order to get these sites ready for development. The Port Authority has access to a variety of resources to accomplish this.

Local

- Lake County Ohio Port and Economic Development Authority Bonds
- Tax-Increment Financing (TIF)
- Remediation Tax Credits

State

- Ohio Enterprise Bonds
- Ohio Department of Development Revolving Loan Fund
- Ohio Department of Development 166 Direct Loan
- Clean Ohio Revitalization Fund
- Clean Ohio Assistance Fund
- Job Ready Sites

For information on one of our ongoing remediation projects, please see the news story below:
